Coronation Celebration Weekend This Sunday 7th May

***We invite all parishioners to stay after the 10am mass to
celebrate the King's Coronation.***

There will be refreshments including cakes to eat!

Come and celebrate this very special event.

The Synod of Bishops

Francis recently approved changes to the norms governing the Synod of Bishops, a Vatican body that gathers the world's bishops together for periodic meetings, following decades of demands by women to have the right to vote.

The next meeting, scheduled for 4-29 October, is focused on the topic of making the church more reflective of, and responsive to, the laity, a process known as "synodality" that Francis has championed for years.

At the end of the meetings, the bishops vote on specific proposals and put them to the pope, who then produces a document taking their views into account. Until now, the only people who could vote were men. But under the new changes, five religious sisters will join five priests as voting representatives for religious orders.

In addition, Francis has decided to appoint 70 non-bishop members of the synod and has asked that half of them be women. They too will have a vote. The aim is also to include young people among these 70 non-bishop members, who will be proposed to the pope by regional blocs, with Francis making a final decision.

"It's an important change, it's not a revolution," said Cardinal Jean-Claude Hollerich, a top organizer of the synod.
